*This permit shall be posted at the job site. Please staple all four corners securely to the posting site at the vehicular entrance to the public right-of-way or public or private easement at a location that is clearly visible at said entrance. The permit shall remain posted until construction has ceased or the structure has been occupied. (BCRC, 11-113)

Expiration date, abandonment. This building location permit will become null and void if the building or work authorized by such building location permit is not commenced within 180 days from the issuance date of such building location permit or if work ceases for more than 180 days. A new building location permit shall be needed before work can again commence. (BCRC, 11-122)
