RE: Voice Message from L.J. Morrison on T# 72003

Received a phone call (1104 hrs) from L.J. Morrison in reference to water master comments. His voice message requested that he meet with me to walk over the North Farm while he was in the area (July 5-17th)

This was an O.D. Day for me so I was able to return his phone call @ 1450 hrs. I left a message indicating that I could be in the area on the 12th or 13th of July to meet with him and go over the North Farm. Told him to call and confirm the date and time, and I left the office phone number.

A handwritten signature in cursive script, reading "Keith C. Wilson", written in dark ink. The signature is fluid and stylized, with the first name "Keith" and last name "Wilson" clearly legible.
