Dear Mr. Wilson:

I looked up the records for tract 17212 as you requested. Tract 17212 (227.9 acres) was accepted into a CRP contract in 1987. The tract was then put back into CRP in 1997 when the original 10 year contract expired. The contract has three years remaining and will expire in the fall of 2007.

I cannot release this information without authorization from the landowner. Mr. Jensen, the landowner, happened to come into the office so I talked to him about your request and he gave me written authorization to release the CRP contract information to you.

Enclosed is a copy of the CRP contract that was signed in 1997. Last year we updated our acreage measuring system and the acres on that tract changed slightly; therefore, we revised Mr. Jensen's contract to reflect the updated acreage. I have enclosed a copy of the updated contract showing the revised acreage.

If you have any other questions, please give me a call.

Sincerely,

Layne C. Peterson
County Executive Director
