RE: App For Transfer 72270; My Letter Dated 1-27-06

Dear Steve;

We have received the deed showing your sale of land to ABC Agra. This is a standard deed showing that all appurtenances were conveyed with the property. Right 36-8484, which you propose to transfer, is an appurtenance to the land now owned by ABC Agra. Therefore, you cannot transfer it to your property without their written permission; a quitclaim deed or other conveyance from them is needed before we can continue processing your transfer. Please submit the required document to this office by March 13. If ABC will not convey the water right to you, you can withdraw your application; the application has already been advertised, however, so the filing fee cannot be refunded.

Regards,

James E. Stanton
Sr. Water Resource Agent
