MICROFILMED The well has been in use for some ten years. It was checked for my G.I. loan when we bought this house 4 years ago. The Well Driller's Report was filled some time in Jan. 1970 all we want is to have this well and our water rights filled in our name. We do not want to lose our water to the government or any one else.

This is the second card we have mailed to you. I also contacted —over—

When we started this
