Gentlemen:

Recently our office has had a request for information concerning a well you drilled for a Mr. Kyle Shrauger. The well was drilled sometime in September or October of 1969. Mr. Hale Harding apparently handled the arrangements for Mr. Shrauger. The only definite information we have about the well, is that the pump was set on October 8, 1969. Maybe this information will help you locate this information in your records.

Any help you can give us in this matter will be greatly appreciated.
