Re: 95-7687

Dear Mr. Mael:

There appears to be some misunderstanding of our conversation during the time I conducted the examination of your system as described in Permit No. 95-7687. I did not mean to infer that there are no other rights to the water in that particular creek. Mr. Kerns does hold License No. 95-2072 with a priority date of December 14, 1939, to divert 18 g.p.m. from the stream to irrigate two acres of land. This does make his right senior in time to your Permit No. 95-7687.

I am sorry for any confusion that I may have caused between you and Mr. Kerns.
