Dear Mr. and Mrs. Nipp:

We are in receipt of a letter from Mr. John Beuthler of Acuff Realty, Inc., in which he states you are the current owners of the above referenced water right.

In Idaho, a water right license is considered real property and appurtenant to the lands for which it was issued. Proof of owning the land is proof of owning the water right license. We have inserted Mr. Beuthler's correspondence in our file for future reference only. There are no provisions in Idaho Code that enable our Department to change the name on a license.

We are enclosing a copy of License 95-7677 for your records. If you have any questions in regard to this matter, please feel free to contact our office or our regional office in Coeur d'Alene.

Sincerely,
