Dear Mr. Groh:

We have recently issued the enclosed water right license to Forrest L. Roscoe and upon sending it out we found that Mr. Roscoe is deceased. In order to keep our records straight, we contacted the Kootenai County Assessor's Office and found that you now own the property.

In Idaho, a water right license is considered real property and whoever owns the land owns the water right. Therefore, we have enclosed a copy of License 95-7637 for your records.

If you have any questions regarding this matter, please feel free to contact our office.
