Re: Permit No. 95-7633

Dear Mr. and Mrs. Metzger:

At this time, we are preparing to issue a license for the above-referenced permit. All procedures have been completed. However, we have found that the statement of beneficial use was submitted by Ashton and Harriet Peasley rather than you. This means that at this time the statement of beneficial use is not acceptable, as it was not submitted by the permit holder of record.

Enclosed we are sending a copy of an Assignment of Permit, by which the name can be changed to the Peasley's, if they are the new owners of the property. We are also mailing a copy of this letter to the Peasleys, so they may be informed of this final requirement. Please prepare the assignment if necessary, or as an alternative, submit the enclosed statement of beneficial use postcard under your signature. This information should be provided to this office no later than July 1, 1983, to maintain the permit in a valid status.

If you have any questions about this matter, feel free to contact this office.

Sincerely,
