According to your letter of February 8, 1984 you indicated that a license could not be issued for beneficial use until a field exam was made. I contacted Tom King of the Coeur d'Alene office in November, 1984 and he said that it had been done this last summer.

Could you please expedite the license as we have an interested buyer in the property and we would like to close as soon as possible.

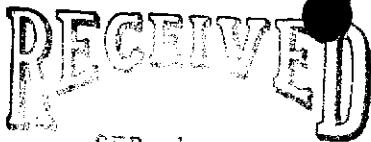

Thank you for your attention to this matter.
