Dear Mr. Wright:

One of the conditions of approval of the above referenced water right permit was that evidence of the extent of development be submitted as proof of application of water to beneficial use to this office on or before August 1, 1978. The enclosed affidavit form is the document you must complete and submit as the proof of application of water to beneficial use.

If you have not fully completed your project, and you have not previously received an extension of time, you may request an extension of time provided the delay is for reasonable cause as indicated in Section 42-204, Idaho Code, amended. If you have been prevented from proceeding by a governmental agency or by litigation, more than one extension of time can be granted.

Either the beneficial use affidavit or a request for an extension of time must be received by this Department on or before the above mentioned date, otherwise the permit will lapse and be of no further force or effect.
