Re: Permit No. 95-7464

Dear Mr. Sawyer:

On October 16, 1979, I examined your water system for licensing. At that time, I learned that you have two homes and 25 to 50 head of stock that are not listed on the Permit. On November 5, 1979, I mailed an Application for Amendment to you so that you could amend the Permit to cover the homes and horses. This should be done as quickly as possible, since a license cannot be amended.

You may wish to refile for the domestic and stock use and if so, the license should be processed. Therefore, if I have not heard from you within thirty days of the above date, I will recommend licensing of your Permit No. 95-7464 for 0.14 cfs for irrigation purposes.

If you have any questions, please contact me at this office.
