Dear Mr. Southern:

We acknowledge receipt of your statement of completion of water development and use for the above-referenced permit.

Before a license can be issued, a field examination must be made by a representative of this Department. We do not know at this time when he will be able to conduct the examination, however, the examiner will try to contact you at the time he makes the examination so that you may show him the system. Your permit will remain valid until the examination is made.

If you have any questions concerning the field examination, please contact this office.

Dear Mr. Southern:

One of the conditions of approval of your water Permit No. 95-7454 was that evidence of the extent of development must be submitted to this office on or before July 1, 1979. (See last page of your approved permit). Enclosed is a post card which may be used to submit the required proof of beneficial use.

If you have not fully completed your project, and you have not previously received an extension of time, you may request an extension of time provided the delay is for reasonable cause as indicated in Section 42-204, Idaho Code, amended. If you have been prevented from proceeding by a governmental agency or by litigation, more than one extension of time can be granted.

Either the beneficial use post card or a request for an extension of time must be received by this Department on or before the above mentioned date, otherwise, the permit will lapse and be of no further force or effect within 60 days.

Sincerely,

RITA FLECK
Sr. Secretary
