Dear Mr. & Mrs. Carey:

We received your letter of February 10, 1971, and the information to show that you have completed your project. You are not required to submit your statement of beneficial use until October 1, 1975, but I am assuming from your letter you do not need until then to make use of the water. Enclosed is a proof of application of water to beneficial use form which you should complete and return. I will keep the information you have submitted and include it with the proof form when it is returned.

If you have any questions concerning this matter, please contact me.

Very truly yours,

Ref. Permit No. 95-7120

Dear Mr. Allred,

On 13 October 1970 you returned our approved "Application for permit to appropriate the public waters of the State of Idaho". Your cover letter directed our attention to the conditions of approval as listed on the fourth page. This required us to provide proof of construction of works and application of water to beneficial use.

Enclosed please find a copy of "Idaho sales tax boat & trailer certificate" showing the gross sales price and Idaho tax paid for our 24'X60' mobile home. The home has been installed on a full basement on our described Hayden Lake property. Also enclosed is a copy of R. C. Worst and Co., Inc. invoice No. 6578 in the sum of \$325.20 for materials and installation of our submersible pump water system which was paid for by our check No. 155. Check No. 117 for \$180.45 was for the submersible pump itself. Check No. 147 to the County Assessor paid the tax on the house.

I trust these enclosed copies will provide the required proof of construction you need. Should any further question arise please contact us by mail and we will try to fulfill any additional need that may exist.

Sincerely,

CLAUDE E. CAREY

23 JUNE 70

DEAR MR. CLAY.

I APPRECIATE YOUR PROMPT REPLY TO MY LETTER WRITTEN IN EARLY JUNE IN ANSWER TO YOUR LETTER OF 2 JUNE 1970. WITH MY LETTER I ENCLOSED AN "APPLICATION FOR PERMIT." I GAVE AS A RETURN ADDRESS MY NEW ADDRESS IN IDAHO, NOT EXPECTING AN ANSWER FOR SIX WEEKS. YESTERDAY I ARRIVED AT HAYDEN LAKE WITH ALL OUR PERSONAL & HOUSEHOLD EFFECTS WHICH WE HAVE STORED TEMPORARILY IN SPOKANE, HENCE THE DELAY IN RESPONDING.

I AM SORRY ALL OF THE INFORMATION ON THE APPLICATION WAS NOT ENTIRELY CORRECT. I COMPLETED THE FORM AS BEST I COULD WITH THE KNOWLEDGE THAT WAS AVAILABLE TO ME IN SOUTHERN CALIFORNIA.

THIS MORNING I WENT INTO THE COUNTY COURT HOUSE AT COEUR D'ALENE WHERE I TALKED TO LOWELL MASON, THE DEPUTY ASSESSOR FOR THE COUNTY. HE INFORMED ME THAT GOUT LOT #2 OF SECTION 17 DESCRIBES THE PROPERTY. HOWEVER HE DID POINT OUT THAT OUR PROPERTY IS PART IN THE NE $\frac{1}{4}$ & PART IN THE NW $\frac{1}{4}$ OF THE NE $\frac{1}{4}$. AGAIN, I AM SORRY FOR THE CONFUSION. IT IS OUR INTENT TO PROVIDE WHATEVER INFORMATION YOU NEED.

I AM STILL AT A LOSS AS TO HOW TO COMPLETE THE MAP ON PAGE 3 OF THE APPLICATION. I WILL GO BACK TO THE COURT HOUSE AGAIN THIS AFTERNOON & SEE IF THEY CAN FURTHER HELP ME. ACTUALLY THE DIVERSION WILL BE A 1" LINE RUNNING FROM THE LAKE UP THE PROPERTY LINE BETWEEN LOTS 8 & 9 OF BLOCK 3.

I ALSO ENCLOSE A CHECK FOR \$10 TO COVER THE FILING FEE. ONCE MORE I WANT TO THANK YOU FOR YOUR ASSISTANCE IN COMPLETING THE APPLICATION PROPERLY. I WOULD BE HAPPY TO PROVIDE ANY FURTHER INFORMATION YOU MAY NEED. SINCERELY, *Claydon C. Cady*

Dear Mr. & Mrs. Carey:

We are returning your Application for Permit, as there are several questions that need to be answered before we can take any action on your application.

Under item 3a, you list the point of diversion as being NE $\frac{1}{4}$ Govt. Lot 2 Sec. 17, T. 51 N., R. 3 W. B.M. Our plats show Govt. Lot 2 as being within the NW $\frac{1}{4}$ NE $\frac{1}{4}$ Sec. 17. If this is correct, please enter this description under 3a, if it is not correct, enter the correct quarter of the NW $\frac{1}{4}$ Sec. 17.

Item 4 should list a specific rate of diversion in cubic feet per second. The maximum allowable for one single families domestic use is 0.02 c.f.s. or 9 gallons per minute.

Item 7a should list a specific time for the completion of your works. We would suggest at least 1 year, as you may have problems in completing your installation by August 1970. We can allow a maximum of 5 years.

The point of diversion should also be shown on the map on page 3.

The filing fee for this application will be \$10.

Dear Mr. Carey:

The water right you are seeking can be obtained through our permit procedure by submitting a completed Application for Permit. Once processed, if approved, you are allowed a maximum of 5 years for development. Within this time you must show that you have placed the water in question to a beneficial use, which we will confirm by a water license thereby establishing your water right. We are enclosing a Application for Permit form and instructions for your use in this matter. Our processing time requires approximately 6 weeks.

After you have had a chance to review the Application and instructions, if you have any questions, please contact us and we will try to assist you with your water right project. We hope you will find living in Idaho as enjoyable as we do.

Dear Sir,

Department of Reclamation

Five years ago this summer my wife and I bought four lots on Hayden Lake for our use as a residence upon retirement. We have recently learned that we can retire on 31 July 1970. We have just visited our property and have made arrangements for the necessary work to provide us with an access road to the property and a level building site. We will return to Idaho in mid-July and continue with the arrangements for our home which we plan to occupy in early August.

At the time we bought our property in 1965 we were told that residents of lake shore property were permitted use of lake water. We would appreciate a permit to use water strictly for residential purposes commencing about 15 July of this year. Our property consists of Lots 2 and 3 in Block 4 and Lots 8 and 9 in Block 3 in Split Rock First Subdivision in government Lot 2, Sec 17, T 51 N, R 3 W B M, Kootenai County, Idaho.

We would be most grateful for your cooperation and assistance in this endeavor. Should additional information be needed, kindly contact us at above address.

Very sincerely,

Claude E. Carey
