Dear Sirs:

I am writing in regard to
State of Idaho Dept. of Reclamation
Water Permit no. 95-7085 issued
to Walter & Margaret Kuzmick
My husband & I purchased
the 10 acre place from Mr &
Mrs. Kuzmick last May. At
that time (and until recently)
we were unaware of the
pending water rights on the
stock pond.

This is part of the
reason for our being so

slow in submitting the
"Proof of Application of Water
to Beneficial Use". At present
we are awaiting the
notarized form from Mr &
Mrs Ryznik transferring
their Ownership to us.
Hopefully, this will follow
soon.

Since we plan on
irrigating our garden &
watering our stock from
the pond, we plan on
using it exactly as stated
by the owners who applied
for the permit.

I hope this shows our
need and sincerity in
usage & explains our
hesitation & slowness.

Sincerely
Mr & Mrs Roger A. Spence

Dear Mr. & Mrs. Kuzmick:

One of the conditions of approval of your water Permit No. 95-7085 (see last page of your approved permit) was that evidence of the extent of development be submitted as proof of application of water to beneficial use to this office on or before January 1, 1975. Enclosed is an affidavit form which must be used to submit the required proof of beneficial use.

If you have not fully completed your project, and you have not previously received an extension of time, you may request an extension of time provided the delay is for reasonable cause as indicated in Section 42-204, Idaho Code, amended. If you have been prevented from proceeding by a governmental agency or by litigation, more than one extension of time can be granted.

Either the beneficial use affidavit or a request for an extension of time must be received by this Department on or before the above mentioned date, otherwise the permit will lapse and be of no further force or effect.
