Dear Mr. Bodine:

We have reviewed your letter of December 30, 1969,
with regard to the above referenced permit.

We are enclosing an Application for Amendment form
which you may use if you can possibly rearrange the actual
irrigated acres along with these new subdivisions, with the
total remaining 28~~5~~ acres.

The only authority we have under the Idaho statutes to
allow additional acreage to that proposed on the original
permit, would be for you to file a new Application for Per-
mit.

If you need any assistance, please advise. Upon receipt
of your intentions, we shall advertise this permit.

Very truly yours,

Department of Reclamation

Dear Mr. McEldowney:

The enclosed proposed notice of publication,
applicable to permit G-32235 (New No. 95-2167), has been signed
as suggested. There is, however, a discrepancy in the land identified
for irrigation. To that which is designated should be added the
E¹/₄NE¹/₄ and SE¹/₄ of the concerned section (20 T 51 .. etc).

Description would then read ...

NE¹/₄, E¹/₄NW¹/₄, SW¹/₄ NW¹/₄, SW¹/₄, SE¹/₄, Sec. 20, T. 51 N. R. 5W. B.M.

I presume your office will make the necessary
change in description and will publish accordingly.

Sincerely,

Leo Bodine

Re: Permit No. 32235 (New No. 95-2167)

Leo V. Bodine
Post Falls, Idaho

Dear Mr. Bodine:

During the 1967 session of the Idaho Legislature, certain amendments were made in the law pertaining to the procedures for making proof of beneficial use of water. In order for the Department to comply with these changes, Rules of Practice and Procedure were adopted on August 1, 1968. Generally, these procedures and the amended law make it simpler for a person to make proof and relieve the permit holder from making separate proofs of completion of works and beneficial use of water.

The enclosed order modifies your permit to comply with these rules and regulations. As a part of the new procedure, you will be required to publish a notice at your expense for two consecutive weeks in a paper as prescribed by the Department, stating that you have been issued a permit [REDACTED]. Previously, a permit holder had to publish a notice for four weeks when he submitted proof under his permit.

If you will complete the enclosed forms, we will cause the notice to be published. Should you require additional forms or information, we will be glad to supply it upon request at any time.

Very truly yours,

Donald W. McEldowney
Appropriation Examiner
