Re: Permit # G-25971

State Department of Highways
603 Main Street
Boise, Idaho

Attention: G. Bryce Bennett

Dear Mr. Bennett:

Statutes requires a field inspection in connection with the proofs on Permit # G-25971 before license and certificate of water right can be issued.

Such inspection and report on same is required for any and all permits being brought to license within this State.

An inspecting Engineer from this Department requests that you or someone familiar with the terms of the permit and representing you be prepared to accompany him on the inspection, on Tuesday, May 27th,

Before noon.

If he cannot get in touch with you by phone or otherwise he will drive to the well location or point of diversion given in the permit.

Very truly yours,

Mr. G. Bryce Bennett
603 Main Street
Boise, Idaho

Dear Mr. Bennett:

We acknowledge receipt of the Deposition of Holder and two witnesses, also affidavit of publication in the Kootenai County Leader, all submitted in proof of Completion of Works and Water to Beneficial Use on Permit No. G-25971.

Before final action is taken in the matter, the law requires that a field examination be made by an engineer from this department.

We cannot tell just when this examination will be made, but our field engineer will try and contact you at the time he makes the examination so that arrangements may be made to show him over the grounds.

Very truly yours,
