Water License No. 7812.

WHEREAS, On the 9th day of October, A. D. 1911, MANSIL GORDON, of Black Rock, County of Kootenai, State of Idaho, duly made application (No. 11488) to me for a permit to use 8/1000 of one cubic foot per second of the waters of a spring, County of Kootenai, State of Idaho, for irrigation and domestic purposes, and

WHEREAS, On the 4th day of November, A. D. 1911, Permit No. 7812 was issued to said applicant for the diversion of said water, and providing for the completion of the works of diversion therein described on or before the 4th day of November, A. D. 1912, and for the application to beneficial use of said water on or before the 4th day of November, A. D. 1913, and,

WHEREAS, On the 2nd day of March, A. D. 1912, MANSIL GORDON, the holder of said permit duly made proof of the completion of adequate works for the diversion of 8/1000 of one cubic foot per second of said waters, as evidenced by my Certificate No. 7812, dated March 25th, 1912, confirming the completion of works of sufficient capacity for diverting and conveying to the place of intended use 8/1000 of one cubic foot per second of the waters of a spring, with date of priority of October 9th, 1911, and,

WHEREAS, On the 2nd day of March, A. D. 1912, MANSIL GORDON, the holder of said permit, duly made proof of the application to beneficial use of 8/1000 of one cubic foot per second of said water:

NOW, THEREFORE, By virtue of authority vested in me by the laws of the State of Idaho, I hereby grant and confirm to MANSIL GORDON, of Black Rock, County of Kootenai, State of Idaho, the holder and owner of said Permit No. 7812, a perpetual right, dating from October 9th, 1911, to the use of 8/1000 of one cubic foot per second of the waters of a spring, in the County of Kootenai, and State of Idaho, or so much thereof as may be necessary for the purposes hereinbelow mentioned, to be diverted at a point in Section 33, Township 49 North, Range 4, West of the Boise Meridian, being at a point 172 feet east and 766 feet south of the quarter corner north line of Section 33, and conducted to and upon 4 acres in the Northeast quarter of the Southeast quarter (NE $\frac{1}{4}$ SE $\frac{1}{4}$), Section 33, Township 49 North, Range 4 West of the Boise Meridian, for the purpose of irrigation and domestic use, subject, however, to the laws of the State of Idaho applicable to a license for the use of the waters of the State, and subject, also, to the local or community customs, rules and regulations which have been or may be adopted from time to time by a majority of the users from a common source of supply, canal or lateral from which such water may be taken, when such rules and regulations have for their object the economical use of such water.

WITNESS, My hand and the seal of my office at Boise, Idaho, this 25th day of March, A. D. Nineteen hundred and twelve.

A. E. Robinson,
 State Engineer

(SEAL)

33 2014

95-2044

No. 11488.

APPLICATION FOR PERMIT

To Appropriate the Public Waters of the State of Idaho

1. Name of Applicant: Mansil Gordon
 Postoffice address: Black Rock
 County: Kootenai State: Idaho
2. The quantity of water claimed is 8/1000 cubic foot per second
3. Source of water supply: A spring on Section 33, T. 49 N. R. 4 W. B. M. being at a point 172 feet east 766 feet south of quarter corner north line, said Sec. 33.
4. Location of point of diversion: At spring
 County of Kootenai
5. To be used for: Irrigation and domestic use.
 - I. Irrigation and domestic use:
 - (a) Amount of land to be irrigated: seven acres.
 - (b) In the following legal subdivisions: NE $\frac{1}{4}$ of SE $\frac{1}{4}$, Sec. 33 T. 49 N. R. 4 W. B. M.
6. Estimated cost of works: \$800.00
7. Description of works for diversion:
 - I. Kind of works: 3/4" galvanized pipe taking water from reservoir at spring, which reservoir is 5x5^{x4}/ft. and of cement, 3000 feet southeast to larger reservoir.
 - II. Dimensions of works:
 - (b) Capacity of reservoir: 100 cubic feet. Of larger reservoir: 7500 cubic feet.
 - (d) Conduit galvanized pipe, Diameter of pipe: 3/4 inches. Average grade per mile is 150 feet. Length of conduit is 2650 ft. to reservoir marked "c"; 50 ft. further to house, and it crosses the following quarter sections: Northeast quarter and Northwest $\frac{1}{4}$ of the Southeast quarter of Section 33 TW. 49 N. R. 4 W. B. M., onto the Northeast quarter of the Southeast quarter of said Sec.
8. The time required for the completion of the construction of such work is one year.
9. Time required for the complete application of the water to the proposed use is one additional years. Water is now being used for both domestic and irrigation.

BE IT KNOWN That the undersigned hereby makes application for a permit to appropriate the public waters of the State of Idaho as herein set forth

Mansil Gordon,

Applicant

Remarks: The spring by use of pipe and reservoir above described now furnishes barely enough water for domestic use, and to irrigate about 4 acres of land by storing the water in the reservoir. It does not run enough water to use for irrigation purposes direct from the spring. The four acres to be irrigated are practically in the center of the NE $\frac{1}{4}$ of the SE $\frac{1}{4}$ of said Section 33, being southerly and easterly from the house.

APPROVAL OF STATE ENGINEER

The number of this permit is 7812.

Date of first receipt at office of State Engineer 9.00 a.m. October 9, 1911.

Returned to applicant for correction October 13, 1911.

Corrected application received October 19, 1911.

Recorded in Book 24. Page 7812. Approved November 4, 1911

This is to certify that I have examined the within application for a permit to appropriate the public waters of the State of Idaho and hereby approve the same, subject to the following limitations and conditions:

Work to begin on or before January 3, 1912, and to continue diligently and uninterruptedly to completion, unless temporarily interrupted by circumstances over which permit holder has no control.

One-fifth of the work above specified to be completed on or before May 4, 1912.

The whole of said work to be completed on or before November 4, 1912.

Beneficial use of water appropriated in accordance herewith, to be made on or before November 4, 1913.

Witness my hand this fourth day of November, 1911.

A. E. Robinson

State Engineer

Notice of proof of completion of works and of application of water to beneficial use received January 17, 1912, fixing March 2, 1912, as date and Coeur d'Alene, Idaho, as place of proof.

Deposition blanks mailed January 25, 1912.

Report of Engineer received February 2, 1912.

Depositions and affidavit of publication received March 11, 1912.

Fees received March 22, 1912.

Certificate and License issued March 25, 1912.

Permit No. 7812

CERTIFICATE OF COMPLETION OF WORKS.

To All Whom it May Concern:

This is to certify that MANSIL GORDON, of Black Rock, County of Kootenai, and State of Idaho, the holder of Permit No. 7812, issued upon Application No. 11488, bearing date of priority of October 9th, 1911, authorizing the diversion of 8/1000 of one second foot of the waters of a spring, County of Kootenai, State of Idaho, for irrigation and domestic purposes, has fully complied with the provisions of the laws of the State of Idaho relating to the proof of completion of the works of diversion set out and described in said Permit; that said works are adequate for diverting and conveying to the place of intended use 8/1000 of one second foot of the waters of a spring, that the point of diversion of said waters is at a point in Section 33, Township 49 North, Range 4, West of the Boise Meridian, being at a point 172 feet east and 766 feet south of the quarter corner north line of Section 33, and that the lands proposed to be irrigated by the use of said water are described as follows, to-wit: Northeast quarter of the Southeast quarter (NE $\frac{1}{4}$ SE $\frac{1}{4}$), Section 33, Township 49 North, Range 4 West of the Boise Meridian.

Witness my hand this 25th day of March, A. D. 1912.

A. E. Robinson

State Engineer

License issued for 8/1000 second feet
