Water License No. 3554.

WHEREAS, On the 26th day of February, A. D. 1908, JOHN KNOBEL, SR., of Post Falls, County of Kootenai, State of Idaho, duly made application (No. 4892), to me for a permit to use three-tenths (.3) of one cubic foot per second of the waters of an UNNAMED STREAM, County of Kootenai, State of Idaho, for irrigation and domestic purposes, and

WHEREAS, On the 11th day of April, A.D. 1908, Permit No. 3554 was issued to said applicant for the diversion of said water, and providing for the completion of the works of diversion therein described on or before the 11th day of April, A. D. 1909, and for the application to beneficial use of said water on or before the 11th day of April A.D. 1910, and,

WHEREAS, On the 10th day of April, A. D. 1909, JOHN KNOBEL, Sr., the holder of said permit duly made proof of the completion of adequate works for the diversion of three-tenths (.3) of one cubic foot per second of said waters, as evidenced by my Certificate No. 3554, dated April 21, 1909, confirming the completion of works of sufficient capacity for diverting and conveying to the place of intended use three-tenths (.3) of one cubic foot per second of water, with date of priority of February 26, 1908, and,

WHEREAS, On the 11th day of April, A. D. 1910, JOHN KNOBEL, Sr., the holder of said permit duly made proof of the application to beneficial use of three-tenths (.3) of one cubic foot per second of said water:

NOW, THEREFORE, By virtue of authority vested in me by the laws of the State of Idaho, I hereby grant and confirm to JOHN KNOBEL, Sr., of Post Falls, County of Kootenai, State of Idaho, the holder and owner of said Permit No. 3554, a perpetual right dating from February 26, 1908, to the use of three-tenths (.3) of one cubic foot per second of the waters of an UNNAMED STREAM, in the County of Kootenai and State of Idaho, or so much thereof as may be necessary for the purposes hereinbelow mentioned, to be diverted at a point on the south line of the Southwest quarter of the Southeast quarter (SW4 SE4) Section 10, Township 50 North, Range 5 West of Boise Meridian, and conducted to and upon about twenty (20) acres of land lying in the Southwest quarter of the Southeast quarter (SW4 SE4) Section 10, Township 50 North, Range 5 West of Boise Meridian, for the purpose of irrigation and domestic use, subject, however to the laws of the State of Idaho applicable to a license for the use of the waters of the State, and subject, also, to the local or community customs, rules and regulations which have been or may be adopted from time to time by a majority of the users from a common source of supply, canal or lateral from which such water may be taken, when such rules and regulations have for their object the economical use of such water.

WITNESS, My hand and the seal of my office at Boise, Idaho, this 22nd day of April, A.D. Nineteen hundred and ten.

D. G. Martin,

State Engineer.

I. Irrigation and domestic use: Domestic

(a) Amount of land to be irrigated: Irrigate about twenty acres.

(b) In the following legal subdivisions: SW $\frac{1}{4}$ of SE $\frac{1}{4}$ of S/10 T. 50 N. R. 5 W. B. M.

6. Estimated cost of works: About fifty dollars.

7. Description of works for diversion:

I. Kind of works: Small dam,

II. Dimensions of works:

(a) Height of dam one foot, length of dam at top two feet, length of dam at bottom two feet. Material used in construction: Wood and lumber.

(c) Size of headgate: Width Six inches, height ten inches.

(d) Conduit Ditch, width at bottom Eight inches, width at water line One, foot, depth of water....feet. Length of conduit is $\frac{1}{4}$ mile, and it crosses the following quarter sections: SW $\frac{1}{4}$ of SE $\frac{1}{4}$ of S. 10 T. 50 N. R. 5 W. B. M. to land described in 5 I (b) above which is the point of intended use.

8. Time required for the completion of the construction of such work is Sixteen months.

9. Time required for the complete application of the water to the proposed use is Twelve months additional.

BE IT KNOWN That the undersigned hereby makes application for a permit to appropriate the public waters of the State of Idaho as herein set forth.

John Knobel, Sr.,

Applicant.

Remarks: Time asked for in section 8 above is hereby reduced to one year.

Jas. Stephenson, Jr.,

State Engineer.

APPROVAL OF STATE ENGINEER.

The number of this permit is 3554.

Date of first receipt of application 9.00 a.m. February 26, 1908.

Returned to applicant for correction February 26, 1908.

Corrected application received April 3, 1908.

Recorded in Book 10 Page 3554 Approved April 11, 1908.

This is to certify that I have examined the within application for a permit to appropriate the public waters of the State of Idaho and hereby grant the same, subject to the following limitations and conditions:

Work to begin on or before June 10, 1908, and to continue diligently and uninterruptedly to completion, unless temporarily interrupted by circumstances over which permit holder has no control.

One-fifth of the work above specified to be completed on or before October 11, 1908.

The whole of said work to be completed on or before April 11, 1909.

The time for proof of beneficial use of water appropriated in accordance herewith, to extend to April 11, 1910.

Witness my hand this eleventh day of April, 1908.

Jas. Stephenson, Jr.,

State Engineer.

Blank notice for proof of completion mailed applicant January 6, 1909

Notice received February 8, 1909, fixing April 10, 1909, as date and Post Falls as place of proof.

Notice for publication mailed Post Falls Advance February 19, 1909.

Deposition blanks mailed applicant February 19, 1909

J.B. Walker, authorized February 19, 1909, to make examination of works.

Affidavit of publication, depositions, fees and report received April 10, 1909

Certificate of Completion of works issued April 21, 1909.

Permit No. 3554.

CERTIFICATE OF COMPLETION OF WORKS.

To All Whom it May Concern:

This is to certify that JOHN KNOBEL, SR., of Post Falls, County of Kootenai, and State of Idaho, the holder of Permit No. 3554, issued upon Application No. 4892, bearing date of priority of February 25, 1908, authorizing the diversion of .3 of 1 second foot of the waters of an unnamed stream, County of Kootenai, State of Idaho, for irrigation and domestic purposes

has fully complied with the provisions of the laws of the State of Idaho relating to the proof of completion of the works of diversion set out and described in said Permit; that said works are adequate for diverting and conveying to the place of intended use .3 of 1 second foot of the waters of an unnamed stream, that the point of Diversion of said waters is at a point on south line of southwest quarter of southeast quarter of section 10, township 50 north, range 5 west of the Boise meridian, and that the lands proposed to be irrigated by the use of said water are described as follows, to-wit: About 20 acres in southwest quarter of southeast quarter of section 10, township 50 north, range 5 west of the Boise meridian.

Witness my hand this 21st day of April, A.D. 1909.

Jas. Stephenson, Jr.

State Engineer of the State of Idaho.

License issued for $\frac{3}{10}$ second feet
