Re: Permit No. 94-07345

Subject: Proof of Beneficial Use

Gentlemen:

Enclosed is our completed Proof of Beneficial Use form along with a check for \$50.00 for examination fee.

Our permit is to allow us to pump water out of Black Lake in Kootenai County for domestic use at a summer cabin. We have a Sears 1 HP pump and holding tank set up inside our storage shed to accomplish this. I have enclosed a picture of the pump and tank as it now is in the storage shed. Since it is a vacation home, we are only there at certain times and the shed is kept locked, therefore if someone was to come to make an inspection they would not be able to see anything. I am listing below the dates we will be at the location.

June 11 - June 19, 1994
July 9 - July 12, 1994
July 30 - August 6, 1994

If I can supply any further information, please let me know.

PROOF DUE NOTICE

RE: PERMIT NO. 94-07345

Dear Permit Holder:

One of the conditions of approval of the above referenced water permit was that proof of the extent of your beneficial use must be submitted to this office on or before August 1, 1994. (See last page of your approved permit or your last approved extension request.) Enclosed is a form which when accompanied by the license examination fee or a complete field examination report prepared by a certified water right examiner may be used to submit the required proof.

If you have not fully completed your project, and you or a previous owner of this permit have not received a prior extension of time, you may request an extension of time if the delay is for reasonable cause as provided in Section 42-204, Idaho Code. If you have been prevented from proceeding by a governmental agency or by litigation which might bring title to the water in question, more than one extension of time can be granted. An extension of time request form is enclosed for your convenience.

Either an acceptable proof of beneficial use submittal or an acceptable request for an extension of time must be received by this department on or before the above described proof due date. If neither is received, the department will send you a lapse notice. Within sixty (60) days of the mailing of the lapse notice, the permit will no longer be of any force nor effect.

SINCERELY,
