Re: State of Idaho Easement No. 5130 and
Water Right Permit No. 94-7233

Dear Mr. & Mrs. Mortensen:

I sent a letter to you dated August 1, 1983 (copy attached) stating that the above mentioned water permit should be filed in the name of the State of Idaho.

After some discussion with people in our Department and the Department of Water Resources, I am in error.

If the water source is on State Endowment land, the water permit needs to be filed in the State's name. However, if the water source is not on State Endowment land, as in your case, the water permit should not be in the State's name.

Please disregard my previous letter. I'm sorry for any inconvenience this may have caused you.

Dear Mr. & Mrs. Mortensen:

It has been brought to my attention that the water right you are acquiring on Section 36, Township 48 North, Range 2 West, B.M., is being procured in your name.

It is the policy of this department that all water rights filed on State Endowment land (such as Section 36) will be filed in the name of the State of Idaho, Department of Lands.

Will you please work with the Department of Water Resources in making this change on your Water Right No. 94-7233. Please let this office know when the change has been accomplished.

If we can be of further assistance, please don't hesitate to write or call me at 334-3955.

Dear Mrs. Mortinson:

I have reviewed the attached map to try to pinpoint your proposed spring development. After comparing with the aerial photographs, I believe the location is more accurately noted by the red dot I have placed on the map. The legal description is as follows:

NW $\frac{1}{4}$ NW $\frac{1}{4}$, Section 36, Township 48 North, Range 2 West

I have also checked with our Boise office. The current rate for buried pipelines is \$100.00 per mile. I estimate the length of your line at something less than one-quarter mile so the charge would be in the neighborhood of \$20-\$25. Actual charges would be determined after a survey had been completed.

As soon as I have information on the status of the road passing through your property above your house, I will be in contact with you.

If you have any questions please let me know.

Very truly yours,
