Department of Water Resources

Dear Steve:

Enclosed are applications to appropriate the public waters of the State and to construct a dike at Strobel Marsh located within Section 11, Township 48 North, Range 2 West, Boise Meridian, Kootenai County, Idaho. A State Auditor's Warrant in the amount of \$177.50 to cover the \$50.00 cost of the fee to appropriate water and \$127.50 for the required fee for construction of a large dam has been prepared and sent to your office. 185.00

We feel that the existing dam proposed to be altered is a very low hazard because of its location, purpose and composition. Any failure of the dike would cause a discharge of water into Killarney Lake and the Coeur d'Alene River. Any change in water levels or flow as a result of such failure would be negligible.

We request that you exercise your power as set forth in Section 42-1712, Idaho Code, and waive the provisions for plans and specifications required prior to making alterations to this dam.

Your favorable consideration in this matter will be greatly appreciated.

Sincerely,

DEPARTMENT OF FISH AND GAME

Robert L. Salter
Acting Director
