Attention: Don Ferguson

Gentlemen:

On a recent visit to Wallace, I picked up the Proof of Beneficial Use Cards for Permit Nos. 94-7149 and 94-7150. After leaving, I reviewed the cards and found the following corrections should be made:

1. 94-7149 - The source of water was listed on the card as being abandoned. Since this is the case, please complete the enclosed Relinquishment form and return to our office. The form must be signed by an elected official of the firm.
2. 94-7150 - We have taken the liberty of filling out a new card. Please have an elected official sign and return to our office.

If you are unable to obtain an elected official's signature the other alternative would be to obtain a General Power of Attorney to have Mr. Ferguson act as agent for Hecla Mining Company concerning all water right matters.
