St. Maries, ID 83861

Dear Mr. McFadden:

I have received your letter concerning the above referenced water right. Please be advised that the right was licensed last year and is in good order. Nothing further is required on the part of the current owner of the property to perfect the right. Enclosed is a copy of the license for you to forward to the heirs for their records. As you can see, the right covers stockwater of 10 head and domestic use for the cabin.

A license is considered real property and is appurtenant to the land identified under the right unless specifically withheld in the sale. Therefore, we do not attempt to keep a record of the changes in ownership. Proof of owning the water right is evidenced by the ownership of the land.

If I can be of further assistance, please give me a call.

Sincerely,

RE: Permit Number 92-07158 (George R. Kendall, Sr.)

Gentlemen:

The above-named, George R. Kendall, Sr., died on December 6, 1990. His estate is in probate here in Benewah County--Case Number 10525. The personal representative of the estate is a daughter-in-law, Sheila Kendall, of 2002 Boundary Avenue, St. Maries, Idaho 83861.

From papers found in his effects, it appears that Mr. Kendall had a Water Right (Number 92-07158), relating to diversion of Santa Creek, to accommodate his cabin on the Southeast Quarter of the Northeast Quarter (SE 1/4 NE 1/4) of Lot Five (5), Section Thirty-five (35), Township Forty-four (44) North, Range Three (3) West Boise Meridian.

The heirs of Mr. Kendall were a daughter, Ruth Ann Kendall Herreid, Route 4, Box 208 C, St. Maries, Idaho 83861 (She is occupying the premises which this water right serves), and George R. Kendall, Jr., of 2002 Boundary Avenue, St. Maries, Idaho 83861.

Would you be good enough to advise us of whether this water right is in order, and whether anything need be done, either by the personal representative of Mr. Kendall's estate, or by his son or daughter (the heirs above-named). I think the Water Right is important to the cabin that was located on the five-acre tract. The decedent's entire estate is very small, but the daughter does live on this property, and I hope that the Water Right is okay, and that you will advise us if

anything further need be done to perfect it, or or to keep it in effect.

Thank you very much for letting us know about this. In any case, kindly conform your records to show the status of this. It will be distributed in due course to the son and daughter above named.

Thank you again.

Very truly yours,
