Dear Ms FLECK

In response to your letter of 9 JULY 1987 I have completed the requested form and have enclosed the \$15 check. Please note that the delay in returning the required request form was due to my not receiving your letter until 3 AUGUST. During the month of July I was in ST Maries, Idaho working on developing my water permit. As I have stated in the request for extension, I had a well pump installed in one of two wells on 31 JULY 1987. My progress to make practical use of the wells was significantly advanced during this past July and I feel confident that the two year delay in progress caused by my assignment to the NATO BASE in Italy will be remedied not later than 31 DECEMBER 1988.

Thank you for your attention to this matter.

Sincerely

PROOF DUE NOTICE

RE: Permit No. 92-7136

Dear Permit Holder:

One of the conditions of approval of the above referenced water permit was that proof of the extent of your beneficial use must be submitted to this office on or before August 1, 1988. (See last page of your approved permit or your last approved extension request.) Enclosed is a form which when accompanied by the license examination fee or a completed field examination report prepared by a certified water right examiner may be used to submit the required proof.

If you have not fully completed your project, and you or a previous owner of this permit have not received a prior extension of time, you may request an extension of time if the delay is for reasonable cause as provided in Section 42-204, Idaho Code. If you have been prevented from proceeding by a governmental agency or by litigation which might bring title to the water in question, more than one extension of time can be granted. An extension of time request form is enclosed for your convenience.

Either an acceptable proof of beneficial use submittal or an acceptable request for an extension of time must be received by this Department on or before the above described proof due date, or the permit will no longer be of any force nor effect.

Sincerely,

RITA FLECK
Secretary/Records Manager
