Dear Mr. Legitt:

Re: Permit No. 92-7111

Returned is the proof of beneficial use form submitted to this office on February 16, 1988. Please complete the proof with the needed information.

By the first red "X", indicate the rate of diversion. By the second red "X", indicate the date water was first diverted and put to a beneficial use. Then determine if a fee is required based on the rate of diversion, (see instruction sheet/fee schedule) and by the third red "X", indicate the amount, if any to be submitted.

Promptly return the proof of beneficial use form and fee, if necessary. I will hold action on this file until June 1, 1988.

If you have any questions concerning this matter, please feel free to contact this office.

Sincerely,

RITA I. FLECK
Secretary/Records Manager

PROOF DUE NOTICE

RE: Permit No. 92-7111

Dear Permit Holder:

One of the conditions of approval of the above referenced water permit was that proof of the extent of your beneficial use must be submitted to this office on or before March 1, 1988. (See last page of your approved permit or your last approved extension request.) Enclosed is a form which when accompanied by the license examination fee or a completed field examination report prepared by a certified water right examiner may be used to submit the required proof.

If you have not fully completed your project, and you or a previous owner of this permit have not received a prior extension of time, you may request an extension of time if the delay is for reasonable cause as provided in Section 42-204, Idaho Code. If you have been prevented from proceeding by a governmental agency or by litigation which might bring title to the water in question, more than one extension of time can be granted. An extension of time request form is enclosed for your convenience.

Either an acceptable proof of beneficial use submittal or an acceptable request for an extension of time must be received by this Department on or before the above described proof due date, or the permit will no longer be of any force nor effect.

Sincerely,

RITA FLECK
Secretary/Records Manager
