RE: 92-7088

Dear Mr. Robinson:

We acknowledge receipt of your statement of completion of water development and use for the above-referenced permit.

Before a license can be issued, a field examination must be made by a representative of this Department. We do not know at this time when he will be able to conduct the examination, however, the examiner will try to contact you at the time he makes the examination so that you may show him the system. If you will not be available to show the system, please provide this office with the name and address of someone who will be able to do so. Your permit will remain valid until the examination is made.

If you have any questions concerning the field examination, please contact this office. Please be sure to use the above-referenced permit number in all future correspondence concerning this examination.

Dear Mr. King:

On behalf of my client, I would like to thank you for preparing the Application of Permit. I had my client review the same, and he said that everything appeared to be correct; however, we believe that you had drawn the property on the map in Township 46 North instead of Township 44 North. My client has taken the liberty of making this correction.

The Application has been signed, and a check in the amount of \$30.00 is enclosed which I believe represents your fee.

It would be greatly appreciated if you review the enclosed and process the same. I would appreciate receiving notice, if possible, that the Claim has in fact been filed.

If you need anything additional, please do not hesitate to contact me.

Dear Phil and Betty:

Enclosed is a copy of a letter which I received from the State of Idaho, Department of Water Resources. I believe the same is self-explanatory. Also enclosed is the original Claim to a Water Right which we had originally filed together with your check in the amount of \$20.00. The new Application for Permit, together with a photocopy for your records is also enclosed. As stated in the letter from Mr. King of the Department of Water Resources, you should review this Application very carefully, and if everything meets with your approval, you will need to sign the same on the bottom of the third page. It appears that only one signature is necessary. Once you have signed the same, you will need to forward the original back to Mr. King together with a check in the amount of \$30.00 for processing the Application.

If you have any questions, or if I can be of any further service, please do not hesitate to give me a call or stop in.

Very truly yours,

THOMAS C. MORRIS

Re: Phillip R. & Betty J. Robinson - Claim to a Water Right

Dear Mr. Morris:

A claim to a surface water right is not acceptable when the date of priority is after May 20, 1971, so I am returning Mr. and Mrs. Robinson's Check No. 92-200 in the amount of \$20.00 and their Claim to a Water Right. I am also enclosing an Application for Permit ~~which~~ I have taken the liberty of preparing in your clients' behalf.

Please have your clients check the application carefully to insure accuracy, sign it and return it to this office with a \$30.00 filing fee.

If you have any questions, please contact me at this office.

Sincerely,

TOM D. KING

Re: Phillip R. & Betty J. Robinson Claim
to a Water Right

Dear Sir:

Enclosed please find the original Claim to a Water Right which has been completed and executed by Phillip R. Robinson. A check in the amount of \$20.00 is also enclosed which I believe represents the necessary filing fee for filing this Claim.

My client would appreciate receiving verification that his claim has indeed been filed.

Should you need anything additional, please do not hesitate to contact me.

Very truly yours,

Thomas C. Morris
