License of Water Right No. 92-7053 Priority July 20, 1979 Amount .04 cfs

THIS IS TO CERTIFY, that Lawrence C. &/or Margaret E. Cooke
of St. Maries, ID, has complied with the terms and conditions of Permit
No. 92-7053 issued pursuant to Application for Permit dated July 20, 1979,
and has submitted proof to the Department of Water Resources on September 16, 1981,
that he has applied water to a beneficial use; an examination by the Department indicates that the works have a
capacity for the diversion of .04 cfs of water from a groundwater source,
tributary to _____, and that the permit holder has applied to a beneficial use and
established a right to use water as follows:

Beneficial Use	Period of Use	Rate of Diversion	Annual Volume

RE: 92-7053

Dear Mr. Lett:

We acknowledge receipt of your statement of completion of water development and use for the above-referenced permit.

Before a license can be issued, a field examination must be made by a representative of this Department. We do not know at this time when he will be able to conduct the examination, however, the examiner will try to contact you at the time he makes the examination so that you may show him the system. If you will not be available to show the system, please provide this office with the name and address of someone who will be able to do so. Your permit will remain valid until the examination is made.

If you have any questions concerning the field examination, please contact this office. Please be sure to use the above-referenced permit number in all future correspondence concerning this examination.

Very truly yours,
