The Department of Water Resources has completed the processing of your claim to a water right, and no further action is authorized under Section 42-225a and 42-225b, Idaho Code. Your claim will be retained in our files and will be available at any time for use by you or the court.

As you are aware, the filing of a claim does not, in itself, guarantee you a water right; it only records and preserves the information and the evidence which you included in your claim.

If, at a later date, you find that you have additional information or supporting evidence that you would like to have included in your claim file, you may have that information or evidence added at any time. Please refer to your claim number when corresponding with our office.

We are enclosing, for your records, a copy of your claim. If you have any questions, or if we may be of any further assistance, please contact us.

Sincerely,

ROBERT G. HAYNES, P.E.

Gentlemen,

We are returning all your Claims to a Water Right and your check No. 38-2 for \$180.

The claims for Spaulding Well #1 (two claims), Spaulding Well #2 (two claims), Twin Feathers (two claims), Potlatch (two claims), Rutledge, Avery (priority 1920), Clarkia (priority 1950), and Headquarters are acceptable. We cannot cash just a portion of your check; therefore, we are returning everything to you.

Briefly, we would like to review the requirements for filing an Application for Permit which is one of the basis of a water right. If the water is to be taken from a surface water source, then a permit is required for a new appropriation or an increase in the amount of water used if the new use begins after May 20, 1971. If water is to be taken from a groundwater source and is not used for domestic purposes, then a permit is required for a new appropriation or an increase in the amount of water made after March 25, 1963. Domestic purposes is defined in Sec 42,230, Idaho Code, as "r. water for household use or livestock and water used for all other purposes including irrigation of up to one half ($\frac{1}{2}$) acre of land in connection with said household..." For purposes of the exception, "domestic purposes" shall not include water for multiple ownership subdivisions, mobile home parks, commercial or business establishments."

We are returning the following claims:

Bovill & Clarkia--surface water source with a priority of after May 20, 1971; a permit was required. We have completed an application for this with the amount of 0.56 cfs, which is 250 gpm. The filing fee for the applications is \$25.00 each.

Avery--surface water source with a priority date after May 20, 1971; a permit was required. We have completed an application for this with the amount of 1.11 cfs which is 500 gpm. The filing fee for this application is \$35.00.

Jaype Well #1--no priority date listed; please indicate the date in item #4.

Jaype Well #2--this is a groundwater source for domestic use in a commercial establishment with a date of priority after March 25, 1963; a permit was required. We have completed an application with an amount of 0.02 cfs. The filing fee is the same as for a claim--\$10.00.

Spike Camp--surface water source with a date of priority after May 20, 1971.
We have completed an application for an amount of .11 cfs. The filing fee is \$10.00

Please have the applications signed and the one claim completed. Return them along with the 12 correct claims and the necessary filing fee of \$235 to us for processing. THE FEES GO UP AS OF JULY 1, 1978. This \$235.00 reflects the present schedule; if we receive the forms after July 1, the fees will be \$415.

If you have any further questions, please contact us.
