Mr. Karl M. Smith
Holbrook Rt.
Malad City, ID 83252

Dear Mr. Smith:

This office finds it necessary to return the 3 application for permit forms and the claim to a water right with your check No. 92-86 in the amount of \$55.00, because the filing fee was insufficient. In reviewing the applications it was noted that the application with the well listed in Section 33 required a \$25.00 filing fee instead of the \$10.00 which we discussed. All the forms appear to be in satisfactory form for advertising.

We have also enclosed a partially completed application for transfer of water right No. 17-2029. Please check it for correctness and if it meets with your approval, sign it before a Notary Public and return it with the statutory filing fee of \$30.00.

The filing fee needed for the 3 application for permit forms, the claim to a water right and the application for transfer of water right is \$100.00. Please remit this amount at your earliest convenience and we will be happy to commence processing.

Very truly yours,

BILL RHOADS
Water Resource Specialist
