Dear Mr. Willie:

Apparently we failed to understand the intent of your letter of September 1, 1967.

It is not required to file an amendment when you change the point of diversion under a permit as long as the point of diversion is still located in the legal subdivision covered under your permit. Therefore, we are returning your personal check in the amount of \$5.00 and your application for amendment.

Please contact us if we can be of further assistance.
