RE: Claim No. 15-4027

Dear Claimant:

The Department of Water Resources has completed the advertising of your claim to a water right, and no further action is authorized under Section 42-243 and 42-244, IDAHO CODE. Your claim will be retained in our files and will be available at any time for use by you or the court.

The filing and advertising of the claim does not confirm the water right claimed, but will serve to record and preserve the information and the evidence which you included in your claim.

If, at a later date, you find that you have additional information or supporting evidence that you would like to have included with the claim, you may have that information or evidence added at any time. Please refer to the claim identification number when corresponding with this office.

We are enclosing a copy of your claim for your records. If you have questions, or if this office may be of further assistance, please feel free to contact us.

Yours truly,

RE: Claim No. 15-4027

Gentlemen:

We have received your correspondence concerning the above-referenced Claim to a Water Right. The following is a quote from the provisions under which this Claim has been filed (Section 42-244, IDAHO CODE):

"At any time after filing a claim under the provisions of the previous section, any person who disagrees that a right has been established as set forth in said claim may file an exception thereto in duplicate, in affidavit form accompanied by such proof as said person deems appropriate. An exception filed shall be made a part of the file of the claim in the department of water resources and shall be considered the same as other evidence in said file. A copy of an exception filed shall be forwarded to the claimant by the department of water resources. Such claims may be corrected by the claimant only by filing of an amended claim in the same form as the original which shall be recorded and numbered by the department the same as the original and for which no additional filing fee shall be required."

Only the above action has been contemplated by the Idaho Legislature and we are not authorized to hold hearings or evaluate for confirmation or final censorship the described rights.

If we may be of any further assistance, feel free to contact us.

Sincerely,

RONALD D. CARLSON

Dear Sir:

Re: Claim to Water Right No. 15-4027 - Schwartz

We have received the exception dated April 19, 1979, filed in behalf of
ST. JOHN IRRIGATING COMPANY
against the above referenced claim to a water right. The following is a
quote from the provisions of the Idaho Code under which this claim has been
filed:

42-225b. Recording of claims by department---Corrections -
At any time after filing a claim under the provisions of this section, any person who disagrees that a right has been established as set forth in said claim may file an exception thereto in duplicate, in affidavit form, accompanied by such proof as said person deems appropriate. An exception filed shall be made a part of the file of the claim in the Department of Water Administration (renamed Department of Water Resources, July 1, 1974) and shall be considered the same as other evidence in said file. A copy of an exception filed shall be forwarded to the claimant by the Department of Water Resources. Such claims may be corrected by the claimant only by filing of an amended claim in the same form as the original which shall be recorded and numbered by the department the same as the original and for which no additional filing fee shall be required.

Only the above action has been contemplated by the Idaho Legislature and we are not authorized to hold hearings or evaluate for conformation or final censorship of the described rights. If you have any questions regarding this matter, please contact me.
