Re: Ownership Change - Water Right Nos. 13-763, 13-770 and 13-7024A

Dear Mr. & Mrs. Steadman:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership submitted July 19, 2002. We have reviewed your notice and supporting documentation and found that some clarification may be necessary as described below.

Water right no. 13-7024A was licensed for 1.16 cfs and 425.7 afa for irrigation of 208 acres including 35 acres in NWSW and 39 acres in SWSW of section 20, T11S R41E. Based on documentation in the water right file, the property you own was fully irrigated under the license. Your portion of water right no. 13-7024 would be 2.0 acres in NWSW and 20 acres in SWSW of section 20. Your proportional share of the 1.16 cfs and 425.7 afa licensed is 0.12 cfs and 45.0 afa. This water right will be split to show the portion under your ownership and the remaining portion.

Water right nos. 13-763 and 13-770 are decreed rights for irrigation and include acreage in NWSW and SWSW of section 20. Those rights were transferred in 1977 to include 30 acres in NWSW and 23 acres in SWSW of section 20, apparently clarifying the location of irrigated lands covered under the original surface irrigation system. Based on the topography of the area, the lands you own were not irrigated under the original surface irrigation system and therefore, are not covered under the place of use described by the decreed rights. If you believe this conclusion is erroneous, you will need to provide documentation showing the place of use authorized under the decreed rights as transferred.

We will hold your \$300 filing fee for these rights for 30 days to allow you time to provide additional documentation. If you do not submit additional information within that time period, we will finalize the change for water right no. 13-7024A and refund the \$200 fee associated with water right nos. 13-763 and 13-770.

If you have any questions or concerns regarding this matter, please feel free to contact the Department.

Sincerely,

Jeff Peppersack, Manager
Water Right Permits Section
