Attention: Donald W. McEldowney

Dear Sir:

A thorough search of our legal notices has been made and we have no record of receiving insertion order for Application 71-7002.

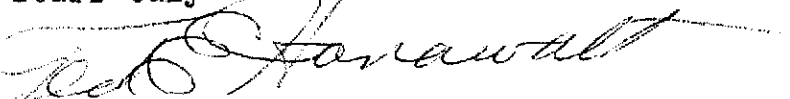

The way the mails are lately it is possible it was missent or laying around some separation center of the Post Office Department.

Is it possible the applicants live in North Custer county and the legal appeared in the Challis Messenger?

We would be very happy to run the notice and it is our policy to have affidavits of Publication prepared upon the final issue it appears in the Mackay Miner.

Please advise if we can be of any help on this legal notice.

Yours truly
