Ms Grover:

Received your letter of December 31, 1979 and I thank you. It seems my concern was hardly warranted, though I can't imagine what happened to the three assignment forms, there were none in the envelope.

You may proceed with licensing of permit #63-8002 for everything is understood and in order here. In regards to permit #63-9241 and receipt of forms, one assignment will be made immediately and another about March or April.

With best regards
