INTER-DEPARTMENT MEMO — 1

FROM Ron Carlson

DATE 1-09-76

TO Bob Fleenor

SUBJECT 35-7550

I wish to apologize on the error in the point of diversion. Mr. Goodwin called and requested that the location be changed to the SE $\frac{1}{4}$ NE $\frac{1}{4}$, Sec. 5, T. 2S, R. 34E. At that time the application had already been advertised in the Blackfoot News for the first time. We contacted the newspaper and requested the change before the next publication date. The affidavit of publication we received did not indicate the change. Because of the change in the point of diversion being minor in potential impact, I decided there would be no need to readvertise it. Therefore, I sent it to Boise for final action on December 30. If you disagree with the decision to not readvertise the application as corrected, we certainly will again advertise it.

RE: Application for Permit No. 35-7550

Mr. Gary Goodwin
Rt. #2, Box 241
Blackfoot, Idaho 83221

Dear Mr. Goodwin:

As you will recall, on December 15, 1975, you contacted this office and requested the point of diversion on the above referenced application be changed from the NE1/4, Sec. 5, T. 2S, R. 34E, to the SE1/4, Sec. 5, T. 2S, R. 34E, B.M. At that time the advertising had already been prepared and submitted to the Blackfoot News for publication.

We were unsuccessful in getting the advertising corrected and, therefore, it will be necessary to readvertise your application as amended. This advertising will require an additional \$10.00 fee, as specified in Sec. 42-221, Idaho Code.

We can take no further action on your application until this fee is received. We trust that you will submit it to this office at your earliest convenience to prevent unnecessary delay in the processing of your application.
