Re: Permit No. 96-9256

Dear Permit Holder(s):

The department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit. The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm that the use being made meets the permitted beneficial use.

During my review of the proof you filed for both water right numbers 96-9256 and 96-9257, I find that you paid \$100.00 for the license examination fees. However, right no. 96-9257 is a Statutory Claim and does not require a license exam fee. Permit no. 96-9256 does require a \$50.00 license exam fee. Therefore, I have requested that the State of Idaho issue you a check in the amount of \$50.00. This check will be mailed to you within 7-10 business days.

Be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office.

If you have questions concerning the field examination, please contact the **Northern** Regional Office of the department in Coeur d'Alene at (208) 769-1450. If you have any questions regarding the refund or the processing of this proof, please contact me at (208) 287-4942.

Sincerely,
