RE: Permit No. 02-7273 – River Ranch Farms – New Number 02-10290

Dear Mr. Meyers:

The Department of Water Resources is reviewing the above referenced permit prior to issuing a water right license. By issuing a license, the Department confirms that a water right has been established in compliance with the terms of the permit. We noticed that you might be the current owner of this water right permit since you are the claimant of record in the Snake River Basin Adjudication (SRBA). Enclosed, for your information, is a report of the permit as it is now recorded in our records.

This permit is currently in the name of River Ranch Farms and we need to have an assignment of this permit from them, to you, in order to change the name. In Idaho a permit is considered personal property and in order for us to change our records we require an "Assignment of Permit" form along with a \$25.00 filing fee. If an assignment cannot be obtained, the license will be issued in the name of River Ranch Farms and then the SRBA staff will recommend the right in your name when they present this right to the court.

We request that this permit be amended so that a permissible place of use can be licensed. Enclosed is an amendment of the permit that will allow us to license this right as determined by our field examiner. Also enclosed is a layout depicting the place of use to be licensed. If you wish to submit the licensing amendment, we can accept your signature on the form. The filing fee for the licensing amendment is \$50.00.

Please submit the signed amendment form, and \$50.00 filing fee within the next fourteen (14) days. If you have any questions in regard to this matter, please do not hesitate to contact me at (208)287-4953.

Sincerely,

KAY WALKER  
Sr. Water Resource Agent
