Mr. J. W. Crowther
Attorney at Law
60 North Main
Malad City, Idaho 83252

Dear Mr. Crowther:

Please find enclosed the exception you filed against the above claim to a water right on behalf of Carl R. Willie.

As I indicated to you in Preston on Wednesday, the claim is simply evidence of a right that has been established through the diversion and beneficial use of water. An exception to a claim should point out inaccuracies or errors that exist in the claim as filed. All exceptions are included in the claim file for consideration by the court at any time said right is adjudicated.

Because the affidavit you submitted appears to be more in the form of an objection to a new appropriation than an exception to a proposed record of an existing right, you may wish to review the right as claimed and if your client feels it to be inaccurate, file an exception pointing out these inaccuracies.

If you have any questions concerning this matter, please feel free to contact me.
