RE: Snake River Basin Adjudication (SRBA)
Notices of Claim to a Water Right #2-10281, 2-10282 and 77-7251

Dear Mrs. Hower,

I'm an old packrat. I am returning the copies you sent on the chance these are the only copies you have. I would suggest retaining these copies until you receive the water right decrees from the Court late next year. IDWR will report your claims early next month. You will receive copies of your water rights reported to the Court, as we discussed.

Sally visited with your son, Linn, this morning and encouraged him to complete his ownership change on claim #77-7251 and water right #77-2150. cc: W.A.

Thanks for coming to town to help get the recommendations for your water rights described to your satisfaction.

Sincerely,

Donald V. Shaff, MPA
Adjudication Bureau Chief
