Attention: Ms. Karl Lynn Townsend

Dear Ms. Townsend:

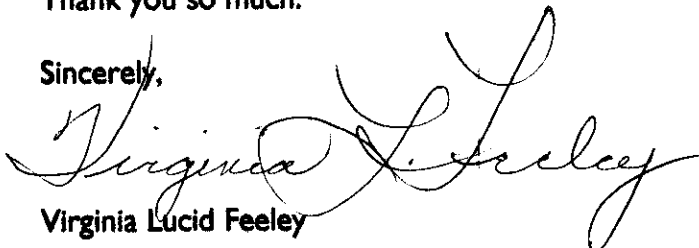

Mr. Bob Hanes in your CDA office has referred me to you concerning a problem that I am having. Enclosed please find a check for \$25.00 for your fee to process my water claim and a copy of the letter that precipitated all of this. Mr. Hanes will be sending you the documentation that I have sent to him.

Please note in the letter that there is a time element here and Mr. Hanes said to ask you please put this on the top of your backlogged pile as I do need to find an attorney and try to get this resolved ASAP.

I will be contacting you in a few days to hear any comments that you may have regarding this matter. Should you have any questions from me, you can reach me at 208.935.2449 or yfeeley57@yahoo.com. As I am sure you recognize, I am quite concerned about this as I am a single woman of 60 years and the possibility of losing my water would equal losing my home.

Thank you so much.

Sincerely,

Re: Lucy B. Lyons
Spring Water Agreement

Dear Ms Feeley:

Please be advised that you have ninety (90) days, or until August 10, 2005 to remove your pump, wires and pole from Lucy Lyon's property. If you fail to do so, we will consider these things a nuisance and proceed to abate that nuisance.

You are being given ninety days in order to allow you sufficient time to drill a well or find an alternate source of water by August 10, 2005. Your access to Mrs. Lyon's water will be terminated on that date and will not be renewed. Please do not attempt to contact either Lucy Lyons or her daughter Wilma Link Bentley, as any attempt to do so will be considered harassment.

Very truly yours,

Wesley W. Hoyt
