RE: PERMIT NO. 95-9235

Dear Permit Holder:

I have enclosed copies of the approved requests for extension of time submitted in connection with the above referenced permits. The order extends the time within which to submit proof of beneficial use to **January 1, 2008**.

Please note that the department granted this extension based on **due diligence**. It is important that you work diligently toward the completion of this project during the construction period allowed since the department may not be able to grant additional extensions based on due diligence.

Section 42-248, Idaho Code requires you or the owner of this water right to maintain current ownership and address records on file with the department. Please contact this office or any regional office of the department for the proper form to file a change of ownership of a water right and/or a change in the address of the owner.

Please contact the department, if you have any questions regarding this matter.

Sincerely,

A handwritten signature in black ink that reads "Deborah J. Gibson". The signature is written in a cursive, flowing style.
