RE: Applications for Amendment Permits 75-7052 and 75-7589

Dear Mr. Cox:

Pursuant to our phone conversation of this morning, I am hereby requesting a pre hearing conference hearing regarding the protests filed against the above referenced applications.

Being as the Williams Lake Recreational Water and Sewer District is recreational, and most of the homeowners/landowners are not in Idaho during the winter months, we would request that the hearing be held late March or in April, when the roads have a chance to clear.

Also, pursuant to our phone conversation, we would also request that the hearings be held in Lemhi County, as the permits in question are located in Lemhi County, and all but one of our directors live in Lemhi County.

If there is anything further, which you may require, feel free to contact my office at your earliest convenience.

Very truly yours,

MILTON A. SLAVIN
