PROOF ACKNOWLEDGEMENT LETTER

RE: PERMIT NOS. 65-13933

Dear Permit Holder:

The department acknowledges receipt of the proof of beneficial use ("proof") form and examination fee submitted for the above referenced permit. Enclosed is an order reinstating the permit advancing the priority date since proof was submitted after the proof due date.

The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm the use of the water. The regional office staff will contact you when that examination is to be conducted. At the time the examination is conducted the system must be in operation, otherwise this permit will be of no force nor effect.

The department's database has been updated to reflect your address as shown above. Be advised that Section 42-248, Idaho Code, requires you or the owner of these water rights to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office.

If you have any questions, please contact the **Western** Regional Office of the department in Boise (208) 334-2190 or myself at (208) 287-4942.

Sincerely,

Deborah J. Gibson
Administrative Assistant
Water Allocation Bureau
