RE: In the matter of water right permit no. 85-7618

Dear Permit Holder:

The department recently found that your permit, no. 85-7618, was overlooked when issuing notices for proof of beneficial use deadlines. Therefore, please find enclosed a copy of the Order Changing Proof Due Date to March 1, 2005. You will receive a notice that proof is due for your permit approximately 60-days prior to the deadline. At that time, the department will provide you the forms necessary for filing proof or requesting an extension of time.

If you have any questions, please feel free to contact me at (208)287-4942.

Sincerely,

Deborah J. Gibson
