WHEREAS, The Department issued the above-captioned permit with the condition that proof of construction of works and application of water to beneficial use (proof of beneficial use) be submitted to the Department on or before November 1, 2000.

On October 26, 2000, the permit holder filed with the department a Request for Extension of Time to extend the proof due date to November 1, 2001, the Department approved the request.

A review of the permit file shows that during the processing of the extension the Department inadvertently failed to enter the proof due deadline in its database. Therefore, the Department should issue an order changing the proof due date to March 1, 2005 to give the permit holder time to file its proof of beneficial use.

ORDER

IT IS THEREFORE, hereby ORDERED that the time in which to submit proof of beneficial use of water for Permit No. 85-7618 is **CHANGED** to **March 1, 2005**.

Dated this 16th day of December, 2004.
