Dear Ms. Clark:

As we discussed today, South Boise Water Co. desires to keep the 1.0 cfs from right 63-148C that was released Nov. 15, 2005, in the bank for another four years.

As you know, our rights in the bank are "laddered" such that 1.0 cfs expires each year. Our current plan is to renew each one for four more years, when it is released.

Thank you for your assistance in this matter.

Sincerely,

Barry Eschen
President
