Dear Mr. Williams:

The Department of Water Resources (IDWR) has received the petition for reconsideration of the preliminary order amending the transfer referenced above. In response to the petition, IDWR grants 21 days for the applicant to provide information to support the petition. The applicant shall list the change(s) desired to the transfer approval and provide information to support the change(s). In addition, if the quantity is proposed to be changed, the applicant shall demonstrate how the change(s) will comply with the requirement in Section 42-222, *Idaho Code*, that the change will not constitute an enlargement in the use of the original right.

If you have any questions, please call me at 208-287-4948.
