IN THE MATTER OF APPLICATION FOR TRANSFER NO. 69309 Water Right No. 47-4287 AVELARS DAIRY, Applicant.	SOURCE: Groundwater COUNTY: Twin Falls APPLICANT'S PETITION FOR RECONSIDERATION
--	--

COMES NOW the Applicant, Avelars Dairy, by and through its attorney, Robert E. Williams of the firm Fredericksen, Williams, Meservy & Lothspeich, LLP, and petitions the Department of Water Resources for reconsideration of the Amended Transfer of Water Rights issued in this matter on the 27th day of September, 2005, with service date of September 28, 2005. The Amended Transfer of Water Right has been treated as a Preliminary Order by the Department. This petition is made pursuant to IDAPA 37.01.01.730.02a.

This Petition for Reconsideration is brought primarily for the following reasons:

A. The Preliminary Order is based upon transfer processing policies and procedures, promulgated as Transfer Processing No. 24, under an Administrator's Memorandum dated October 30, 2002. The Administrator's Memorandum is a rule as defined by *Idaho Code* § 67-5201(19). Because the Administrator's Memorandum was not adopted as a rule, it cannot lawfully be used as a basis for the decision contained in the Preliminary Order;

B. The Preliminary Order represents an impermissible retroactive application of substantive policies which were not adopted by the Department of Water Resources at the filing date of the transfer application but were in fact adopted while the transfer application was pending.

C. Applicant respectfully requests twenty-one (21) days from the date of this petition to submit a brief and additional materials in support of this Petition for Reconsideration.

RESPECTFULLY SUBMITTED this 12th day of October, 2005.

FREDERICKSEN, WILLIAMS, MESERVY & LOTHSPICH, LLP
